**Department of Manufacturing Engineering (TCM)**  
**Faculty of Industrial Engineering and Robotics**  
**University POLITEHNICA of Bucharest**  
is organizing

# TCM 65

to celebrate 65 years of successful scientific research  
and in-depth higher education

**10 – 11.10.2019**

Join us in three major conferences:

- **ICAMaT 2019** - International Conference on Advanced Manufacturing Technologies (*10<sup>th</sup> edition*) <http://www.icamat.ro/>
- **ICNcT 2019** - International Conference of Nonconventional Technologies (*20<sup>th</sup> edition*) <http://artn.ro/conference2019/>
- **POLCOM 2019** – International Conference on Design and Technologies for Polymeric and Composite Products (*3<sup>rd</sup> edition*) <https://www.polcomconference.com/>

Take the chance to directly contact our industrial partners:

- Manufacturing and industrial engineering exhibition
- Special sessions for companies presentations
